BRSCC MAZDA MX-5 CHAMPIONSHIP

- Arguably the best supported championship in UK club motorsport with more than 90 registered drivers across the 2018 season, providing intense, door-to-door single make sports car racing on a budget.
- Series makes use of the Mk1 Mazda MX-5, one of the best small sportscars of all time that provides a true challenge to master for drivers of all experience levels, backgrounds and ages.
- An average of more than 40+ cars entered on any given weekend, allowing for split grids with a promotion/ relegation system to allow drivers to race their way to the front of the field across three races.
- The championship features a Masters contest within the main series to allow all drivers aged 45 and over to fight and achieve their own victories and titles.
- Brilliant camaraderie and friendly paddock allows any driver to feel welcome and make friends straight away, with regular social gatherings at every race weekend, plus a dedicated Awards Dinner at the end of the season.
